1. ☒ Applicant's failure to timely file a proper reply to the Office letter mailed on 14 January 2009.

Primary Examiner, Art Unit 1631

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: A message was left for Mr. Shams at the correspondence address of record on 7/27/2009 informing the applicant that no response was received. Mr. Shams responded on 7/28/2009 with a voicemail message stating that he did not receive the Office action mailed 1/14/2009 and that his mailing address has changed. A voicemail message was left for Mr. Shams on 7/29/2009 informing the applicant that absent evidence that the Office action was not received the application is now abandoned. The applicant was informed of their option of filing a petition to revive accompanied by a response to the Office action mailed 1/14/2009 which would require a request for continued examination for entry of the response. The current correspondence address is that of customer number 68078. The Office action mailed 1/14/2009 was not returned to the Office as undeliverable.
